---

### 2. Hazards identification

Non hazardous product.

---

### 3. Composition /Information on ingredients

Disposable Borosilicate Glass Test Tubes with Plain end

---

### 4. First aid measures

No specific measures necessary.

---

### 5. Fire-fighting measures

Not Combustible

---

### 6. Accidental release measures

No specific measures necessary

---

### 7. Handling and storage

Handling:No further requirements.

Storage:Tightly closed, Shrink Wrapped pack

---

### 8. Exposure controls / personal protection

No additional controls required.

---

### 9. Physical and chemical properties

Form: Borosilicate Glass Test Tubes

---

### 10. Stability and reactivity

Conditions to be avoided:No information available.

Substances to be avoided:No information available.

Hazardous decomposition products:No information available.

---

**11. Toxicological information**

Non Toxic.

---

**12. Ecological information**

Ecological effects:Quantitative data on the ecological effects of this product are not available.

Further ecological data:No ecological problems are to be expected when the products is handled and used with duecare and attention.

---

**13. Disposal considerations**

Product:Product and its derivatives must be disposed off in compliance with the country-specificregulations.

Packaging:Packaging must be disposed off in compliance with the country-specific regulations.

---

**14. Transport information**

Not subject to transport regulations.

---

**15. Other information**

The information contained herein is based on the present state ofour knowledge. It characterizes the product with regard to the appropriatesafety precautions. It does not represent a guarantee of the properties of theproduct.
